

CALABAR HIGH SCHOOL

FOUNDED IN 1912

Vision Statement

Calabar will be a school that ensures the best possible outcomes for all students through the acquisition and efficient use of resources. The school uses technology that enhances the teaching / learning process. Staff, students, administration and parents work in a collegial, collaborative and supportive environment. Students are disciplined and make responsible choices. The school believes in learning as a life long process and prepares students to function in a rapidly changing world.
